HORIZON POWER ESPERANCE OPEN

AUSTRALIAN JUNIOR SQUASH TOUR
SILVER

The **2017 Horizon Power Esperance Squash Open** has been completed for another year with 130 people entering the event.

This included 40 juniors. Players traveled from as far as Brisbane and Victoria, from Exmouth to Perth and regionally, from Bunbury to Kalgoorlie.

It was an intense 2 days squeezing in approximately 300 matches, which included some epic battles with some egos in tact and others left questioning their self worth ;) you know who you are!

We had a scrummage of UWA students from UWA Squash Club join us for the weekend bringing 15 club members down on a 22 seater bus. Their ability ranged from Hasitha playing in the Men's Open to Mens/Ladies Division 4 with some even picking up a little prize money.

Thank you to all the entrants who traveled even with the 140mm of rain enduring detours and slow roads, although not all detoured the right way which added an extra 3 hours to their already long trip ... Kane ;)

The Esperance Squash Club is humbled by the local businesses that support this weekend which enabled us to have much larger prize pool for the winners and runner ups.

The Esperance Squashies worked tirelessly over the weekend and huge kudos to Tammie as Bar Manager for her amazing effort and patience and Deborah for making sure we were all fed so well. They organised an amazing team for the weekend.

To Colin and Laurie who proved they are not just pretty faces but showed how Esperance Squash Club Committee do things, perfectly :)

And the jewel in the crown is undoubtedly the PSA Mens Event, which showcases some world standard squash and brings it to Esperance for us to awe at. This year Mike Corren (PSA Rank 200) and David Ilich (PSA Rank 309) played off in the final with Mike the victor 3-0 (33-14) in some entertaining but professional squash.

Thank you all for making the effort to travel to the event, for those that just came as spectators, all the players and their families and friends, and the locals that just came to help.

MARMION JUNIOR CLASSIC
19 MARCH 2017 SQUASH FACTORY

ABILITIES BASED JUNIOR TOURNAMENT

Story written by Sue Cowell

On Sunday 19th March, the Squash Factory was inundated by 68 juniors as they took to the courts from 8.45am to compete in the 2017 Marmion Junior Squash Classic.

Proudly sponsored by **Jindalee Family Dental, The Squash Factory and Marmion Squash Club**, the tournament attracted entries from the metro clubs as well as country juniors from Bunbury, Busselton, Manjimup, Moora and Narrogin.

Very proud to say that 44 juniors were from the Marmion Squash Club, many of them playing their very first tournament.

Using Roger Flynn's Tournament Graded System, matches ran on time and juniors were on their respective courts before the previous match scoresheets had been handed in.

Didn't have to chase up anyone! Great system and look forward to using it again and again (Thanks Roger and Tim).

Great squash was played all day. We are very appreciative of Tournament Referee Pam Addison who helped along our new players with their marking and refereeing duties.

Thank you to the wonderful crew in the canteen who kept us fed. Thank you to my girls who were my 'runners' with scoreboards.

Thanks to Clive Pollard for our photographs.

Developing CHAMPIONS

The Department of Sport and Recreation (DSR) in partnership with the Western Australian Institute of Sport (WAIS) have created a life skills program for developing athletes.

The Developing Champions program is designed to assist the development of aspiring young athletes to gain personal development skills with the support of the Personal Excellence program at WAIS.

WA Squash has been fortunate to be part of this program since 2013.

9 athletes along with 2 from Table Tennis and 1 from Volleyball attended their first workshop 'Foundations For My Success', with Joe McCarthy (Tennis background) and Cruz Hogan WAIS Athlete (Javelin).

Our athletes included Callum Blakey, Olivia Bunter, Georgia Charles, Isabella Diver, Kane-Jaran Holman, Abel Jin, Olivia Lindsey, Pascale Louka and Remi Young.

The athletes looked at: Setting Goals; Managing their Time and Drugs in Sport.

After starting the session with the emotional video of Derek Redmond in the 400m final of the 1992 Barcelona Olympics, commitment to sport was discussed. Cruz Hogan spoke about his career and the many injuries he suffered yet still persevered and made the commitment to be the best he could.

The athletes learnt the importance of goal setting. Having decided what their goals were, they worked out the steps to achieving them using the SMART guidelines.

Next they completed a weekly time management plan including sleeping, eating, traveling, studying and training. Although all athletes admitted they were busy before this exercise, they were amazed at how many 'spare' hours they had each week.

Athletes finished the session with discussions on the integrity within sport, sportsmanship and drugs within sport. It was made very clear that it was their responsibility to know exactly what substances they put in their own bodies and were given the resources to manage this.

The athletes next workshop will be in the April school holidays.

KALGOORLIE BOULDER

Finlayson Sporting Complex Official Open Day

Story by Jade Woods

The official opening of the brand new **Ray Finlayson Sporting Complex** in Kalgoorlie-Boulder was a day filled with laughter and enthusiasm, as the day was planned to be full of fun and exciting activities.

Together, each sport from the complex shared an opening day on Saturday the 18th of March to welcome the public to see the state-of-the-art facility encompassing the sports of Squash, Rugby, Soccer and Cricket.

Piles of cars rolled into the complex to see the unfamiliar centre close-up. For the first time, the gates of the Ray Finlayson Sporting Complex were officially opened to the public since building commenced early last year.

For those who came, many spent their time at the face painting stall, on the bouncy castles, at the inflatable squash courts run by Mike Cornish from WA Squash, or buying sausage sizzles; needing the energy from the hot Kalgoorlie weather.

If people weren't seen at these areas, others were at the squash centre hitting the ball (some for the first time) and playing against a Pro (PSA Players Tim Cowell and David Illich) or participating in the rugby, soccer and cricket clinics run by inspirational sports people who are highly respected from each sport.

KALGOORLIE BOULDER

Finlayson Sporting Complex Official Open Day

The Ray Finlayson Sporting Complex had its grand opening on Saturday 18th March and it was a great day to show the public how amazing the new squash facilities are now. The new centre will definitely bring in new talent into the squash community and will help grow the sport.

I'm looking forward to coming back for the Golden Open later in the year and I would like to thank the Kalgoorlie Squash Club for getting myself, Tim Cowell and Mike Cornish out to the new centre to help promote the sport.

Squash Professional David Illich

FACT 1: "This $19 million project undertaken by the City of Kalgoorlie-Boulder entailed the construction of an hallmark sports precinct designed to complement existing facilities, and provide high-quality grounds and amenities for soccer, rugby league and rugby union, cricket, squash and equestrian sports".

FACT 2: "The first stage of the project (Elements 1 and 2) was completed in 2013. It required the installation of utilities, access road, car park, street lighting, internal fencing and footpaths as well as the relocation of the Goldfields Equestrian Club track and stable facilities to an adjacent block. Element 3 involved the construction of the sporting fields is complete. The multi-purpose clubrooms and **squash** facility (Element 4 of the project), was completed in 2016".

COURTTECH
WE MAKE COURTS

It was great to visit the new squash courts in Kalgoorlie. Having played a number of Golden Opens and seeing the EGSRA slowly lose access to courts, you could sense a great deal more positive energy around the place at having a new, larger venue to access. It was great to see so many people, new to squash, getting on and having a go.

Court tech have done a fantastic job building the courts, I hope the whole squash community will get behind the Golden Open in June as a big celebration of the new facility.

Squash Professional Tim Cowell

The CLUB PERTH

There has been a change of management at Terrace Squash.

WA Squash has entered into an agreement with local squash identities **Glenn Hitch** and **Ken Watson**. In partnership, Glenn and Ken will manage and operate the Terrace Squash Centre to optimise its full potential, including promoting the sport of squash and realizing the centre's commercial opportunities.

WA Squash President Steve Bowen commented on the change "With goodwill, love of squash and determination we can progress the management of the centre so that we all gain from increased numbers of players, increased registrations with WA squash, increased pennant teams, higher squash standards and greater publicity and promotion of squash."

Under the agreement WA Squash authorized events such as the WA Open and State junior tournaments and squad training sessions will continue to be held at the centre.

The new managers have prepared an operational plan covering intended developments over the next few years. Their immediate priority is to increase player numbers and establish a fully-active club at the centre, which will in future be known as **The Club Perth**.

Glenn said that their overriding aim was to create a club-based environment within which members could find social, intellectual and physical enjoyment, stimulation and challenge at whatever level they preferred. "A wide range of activities will be offered to club members. They will be facilitated by experienced leaders, some of whom we have already appointed. We want to have at least one of these people present to welcome patrons to the centre during most opening hours."

Although all will be welcome the partners see the majority of their clientele coming from those resident or working in the many high-rise buildings that surround the centre. "With eight courts available to patrons **The Club Perth** is the only commercial squash centre in the Perth CBD.

"We hope that among other things we can re-ignite what in earlier years was a popular and active "corporate challenge" program", said Ken. He went on to say "we invite you and your friends to join **The Club Perth**".

Contact information can be found on their website which is currently being developed **www.theclubperth.com**

SW SQUASH MASTERS BUSSELTON

Story written by Warren Oliver

67 Players participated in the 31st SW Squash Masters at the Busselton Courts in West St over the long weekend in 5 Divisions with ages from mid 30s to late 70s.

This is the largest Masters squash event outside of Perth and one of the longest running.

Michael Bishop, Sean Brockman, Paul Hey

Busselton was able to have representatives in all 5 division finals on the Monday morning, which was a huge effort never achieved before by the home club.

The coveted Division 1 shield was taken out by the Busselton team made up of current and ex Busselton players Paul Hey, Sean Brockman and Michael Bishop.

Both Paul and Sean managed for a 2nd time over the weekend to win games off their higher ranked Perth opponents while Michael won easily against his lower ranked opponent both times to set up a 6 games to 3 win in the final.

The standard of squash was exceptional in the finals with a combination of patient long rallies and incredible shot making and retrieving. This is just the 6th time Busselton has taken out the Division 1 shield since 1987.
Bunbury successfully defended its Div 2 shield defeating the Busselton team of Phil Cox, Paddy Denison, Bruce Philpott, and Graham Mitchell by the slender margin of 5 games to 4 in the final.

One of the games they lost in the last match being 8/9 so if this had gone the other way they would have won!

The Div 3 final saw Ron Buswell, Brian Roby and Chris Champ go down in the final 3/6 to the Mirrabooka team, even tho they were able to defeat the same team earlier in the first match of the weekend.

In Div 4 the Busselton team of Stu Morgan, Bruce Lawrence and Peter Mohr were defeated in the final by their Perth opponents 3/6 but it could have been all so different had Stu not lost two of his games 7/9 and 8/10.

And then Busselton won its 2nd Shield for the weekend with the combined Busselton/Bunbury team of Wendy Dale, Phil Box and Chris Reston defeating their Perth opponents by the narrow margin of 5/4.

Sat night saw 50 people socialise at a function which recognised 27 players who have entered the tournament 10 or more times with one player having entered an incredible 27 times out of a possible 31.
