## WA STATE JUNIOR CHAMPS

Thank you **RRB Photography**

Congratulations to all the State Junior Champions especially **Erin Classen** who won yet another double when she won both the U15G and U19G titles.

**Abel Jin** won the coveted U19B title denying youngster **Oscar Curtis** a double. Curtis won the U15B.

Last year's U19B champion **Remi Young** could only manage 3rd in the blue ribbon event but managed to snare the U17B title.

Ace reporter **Michaela Pratt** is the U17G champ whilst rising star **Isla Harris** took out the U13G championship.

**Finlay Galt** was the only player to upset a #1 seed winning the U13B and **Eric Marsh** was too good winning the U11B title.

Congratulations to the **South West Smashers** who won the Junior Team Championship.

Unfortunately it wasn't a fairytale ending for **Mike Corren** as he played his last PSA event (the SA Open).

The "Moose" bowed out to #1 seed Josh Larkin in the first round 11-6, 2-11, 2-11, 3-11 (34m).

**David Illich** won through qualification but lost his 1st round match up against #5S Enzo Corigliano (FRA) 5-11, 3-11, 5-11.

## *President's Pen*

Several of our loyal squash members braved the arctic weather to come along to the **WA Squash Information Night**, which was held on the 1st August. The purpose of this event is to provide a platform for open communication between our members and the Board.

**Sporty HQ** is set to be tested in WA as the Matrix will cease to be supported in the near future. We will be contacting club administrators shortly to be part of a testing group, to learn about the capabilities of Sporty HQ and flush out any questions regarding the software.

Currently we have several players participating in the **World Masters** in America. You can follow the live action using the following link <https://www.wmsquash.com/live/>

Would like to thank **Doug Minchin** for his contribution to WA Squash. Doug recently resigned from the Board. Doug has been playing Squash for 45 years and been involved with Squash administration for over 25 years. I hope we will continue to see Doug around the traps and playing in the masters tournaments.

Congratulations to **Subiaco Kings** (Tim Cowell, Brendon Cocks, Remi Young, Courtney Diggins) for their A grade win in the Men's State Grade Competition. Clearly the most consistent team during the season, they managed to beat The Club Perth in a thrilling final. Congratulations to **Marmion** (Emily Bunting, Jessica McLean, Isabella Diver) for their A Grade win in the Women's State Grade Competition.

## INDIVIDUAL CHAMPIONSHIP

Thank you to all players, parents and coaches who travelled to Kalgoorlie for Junior State Titles – it was a terrific event and turnout. Thanks to the City of Kalgoorlie – Boulder and Subiaco Kings for making the event happen through their generous sponsorship. Thanks to WA Squash and the Eastern Goldfields Squash Rackets Association for their assistance – what a tremendous venue the Ray Finlayson Centre is! Thanks to Mike Cornish for directing the event and to Pam Addison the tournament referee. The camp school was a great environment for team building. Congratulations to all our State Champions!

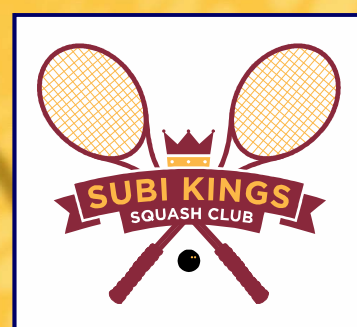

It was a pleasure to “run the desk” with such impeccable conduct throughout the tournament with so many people being willing to help! All juniors were impressive throughout the event as they had fun, brought their best, played fair, showed respect and welcomed all! There were very high quality matches across the divisions and the finals were fiercely contested. It was pleasing to see experienced players give less experienced players a good run when such match ups occurred. Most pleasing was that before and after each day’s play, and even when there was a gap in match fixtures, the courts were packed with enthusiastic juniors having a great time playing squash! I look forward to seeing you at the next event!

## TEAMS CHAMPIONSHIP

The 2018 State Junior Teams was held on the two days following the Individual Championships at Kalgoorlie-Boulder's Ray Finlayson Sporting Complex. The event was sponsored by the City of Kalgoorlie-Boulder, Subi-Kings Squash Club, the Department of Local Government, Sport and Cultural Industries and WA Squash. Thank you for your fantastic support.

A total of five zone teams participated, with players shared amongst teams to encourage more matches for missing age groups. Unfortunately, due to having only one under 11 girl in the draw, the under 11 girls was cancelled; encouraging this player to play up an age group. Players showed great sportsmanship over the two day event playing 5 rounds of best of five games.

Congratulations to the overall winners - the **South West Smashers** (161 points). Central Champs finished runners up on 135 points followed by Golden Rays (90), Eastern Energy (89) and Northern Nicks (74).

After the overall results had been announced, the **Joyce Barnett and Chas Renner Sportsmanship Awards** were presented to the winning recipients.

The winners had been determined by having the most accumulated votes by coaches and managers over the five rounds. This award is rewarded to one girl and boy who had been identified as having the best attitude on and off the court.

The Joyce Barnett Award (girls) was presented by Pam Addison to **Liliana Jones**. The Chas Renner Award (boys) was presented by EGSRA club president Peter Siebert to **Austin Pianta**.

As tournament coordinator for the 2018 State Junior Teams, I would like to thank the **City of Kalgoorlie-Boulder** for their sponsorship and **Eastern Goldfields Squash Racquet Association** for allowing the event to be hosted in the recently built facilities. Thank you to all the managers, coaches and everyone else who assisted in making my job much easier. Thank you also to **Sue Hillier** for providing the printouts required and ensuring I knew what I was meant to do.

Finally, a big thank you to our tournament referee **Pam Addison**.

## TEAMS CHAMPIONSHIP

### A Story from a South-West Smasher!

The combined might of Katanning, Bunbury, Narrogin, Manjimup and, soon to be, Mandurah allowed the South-West Smashers to win the State Junior Squash Teams Championship, for the first time in history.

The State Junior Teams Championships is an annual event which occurs in the July holidays and sees teams/players from all over the state representing their zones and competing for both age group and the overall teams championship.

Northern Nicks are the perennial favourites, but were under pressure as they were not able to field their strongest team. This year, the event was held in Kalgoorlie to promote country squash and to assist Kalgoorlie in their Bonanza of Squash Action celebrations.

A big thank you to the City of Kalgoorlie-Boulder for their sponsorship of this event, as well as WA squash for completing the draws. Also thank-you to Jade Woods for giving back to the squash community by running the event.

A little known highlight for many club players was the opportunity to take on the higher profile players, such as Abel, Oscar and Remi, so thanks to these players for making the time, and to the club players (and their parents!), a huge thank-you for making this event super exciting.

Each team the Smashers played against had a mix of state and club players leading to fiercely contested rivalries which meant that most rubbers came down to points. The higher profile players consolidated their positions with strong wins, leaving the club players to fight and scrape for every point. Desperation and strong support from the rest of the team allowed these players to pull the Smashers over the line to notch up a hugely valued win.

As well as some great talent showcased, sportsmanship was also on a high with many teams and players being commended for playing the event in a way which reflects the 8 true sport values of squash.

The sought after and well respected Joyce Barnett and Chas Renner awards, voted by team representatives, saw Liliana Jones, of Eastern Energy and Austin Pianta, from the South-West Smashers take home these prestigious awards. Liliana for her courage and determination to do the best for her team and Austin because he played

The victorious **South West Smashers** team consisted of Austin Pianta and Michaela Pratt in the U17's, Max Forbes, Kai Whittaker, Eva French and Caitlin Pratt in the U15's, Toby Quartermaine and Isla McMullan in the U13's and Harvey Pianta in the U11's.

The boys were coached by Nigel French and the girls by Andrew Pratt. The team was managed by Andrew Pratt who enjoyed great support from his bevy of willing parent helpers.

A special mention must be made of Mike Cornish. Mike is in the fifth year of a three year plan and it was wonderful to be able to “bring home the bacon” and help Mike realise his dream of the south westers winning the state team's championships. Go Mike! and go the Smashers!

## Teams and Draws

Each grade comprised 5 teams of four players plus reserves from differing country clubs and played two fixtures on each of Saturday and Sunday with a final on Monday, Match times were: Saturday and Sunday 8:30am, 1:30pm and 4pm Final at 9am At the delegates meeting in 1976 the possibility of either increasing court venues or restricting entry numbers was discussed. It was left to the 1977 Organising Committee to adjudicate and they decided to increase courts by inclusion of Balga and North Beach rather than restrict entry numbers. With increasing costs particularly court hire it was decided to be preferable to arrange a raffle rather than increase entry/nomination fees.

### **Comments, recollections and points of interest**

**Steve Bowen Northam.** This (1977) was my first Country week. Going into the last of four fixtures against Albany we had not won one game from the three previous fixtures. Max Hubble our number one, who had not won a game in his first Country week in 1976 whilst playing Leon Jamieson of Albany, managed to pull out a game. So from 4 fixtures, 16 matches we won one game. Grading of players and teams who had possibly never played each other and if so it was only at the previous Country weeks was always difficult. No computerised grading system existed for many years and it was left to the Host Club to grade as best they could.

**SB.** Court Hire. I remember in-house pennant costs were \$2 per night. In about 1979 it increased to \$2.50.

**Ray Smith Narrogin.** See 1976 results. We nominated for the three lowest grades and won them all.

The team “Without a Home” (provided by Margaret River-Busselton Squash Club)

For the 2nd year in succession the Margaret River – Busselton Squash Club will be fielding a team in Country Week.

To play squash, the members of this club, which number eight, have to journey to Bunbury. For some this is a round trip of 200kms. The original idea of this was purely of a social event, but as members enjoyed this weekly trip so much, it was decided to play in Country Week.

The addition to the club of Terry Alder, who had been a great squash player for years as coach has been of great assistance to all members. Most of the players at best could be described as “young veterans”.

After last year's country carnival the players who took part decided that one hour of squash per week was not a good preparation, so they are in hard training for this year.

Bob Fletcher is limiting himself to two cans on the trip home each week, Richard Cherry is thinking about giving up smoking, John Goodall is going to do some running and the baby of the team, Nelson Rodgers, is going along this year as water boy.

### **1978 Magazine**

Venues. Carine Glades, Balga and North Beach

Organising Club: Esperance

### **Extract:**

Country week Squash was introduced by Aub Hickey in 1966 at the South Perth Squash Centre (Ken Meulman's). Aub Hickey organised the event for three years before he asked the SRA of WA to takeover. This was not successful and after two years Aub took it over again and it was conducted at the Katanning Squash Courts where 16 teams competed.

The “A” grade Mens and “A” grade Women's shields are named the Aub Hickey shield and were donated by Aub Hickey. Aub was instrumental in forming the Country Week Squash Racquets Association which eventually became affiliated with the SRA of WA.

## Comments, Recollections and Points of interest

**Steve Bowen.** Mens A grade Albany played against Bunbury in the grand final. Bunbury had been undefeated for many years if ever since 1966. Albany had been getting closer to defeating them and thought this was their year.

Albany (I think Barry Depiazzi, Laurie Blurton, Barry Downes, ?) Albany (Terry Rudinger, Max Loveridge, Mark Loveridge and possibly Eddie Orzel). Going into the last match – number one's Terry Rudinger had to defeat Barry Depiazzi or get a certain number of games. He was successful and Albany won its first A Grade or first in many, many years.

Anyone with a clearer recollection please provides greater and more accurate detail.

**Steve Bowen.** From a disaster in 1977 my team of Kevin Smith, Darryl Clark and Mike Spadaccini defeated Geraldton in the final to win our grade (no need to mention what grade). I played Chris Sekulov in the rounds and again in the final and lost 2-3 both times. I have played him many times since in higher grades as we improved and then lower grades as we aged.

# WA MASTERS JULY UPDATE

By Janis Haswell

## 2018 WA Masters State Championships

The Masters State Championships were held at Squashworld Mirrabooka over the weekend of 20-22 July, attracting around 80 entries.

The age groupings are constantly under review, with a number of squashies playing into their late 70s and 80s now, and some of the middle age groups falling away a little as the demographics of squash players here in the west undergo change.

We would love more eligible younger players to join Masters in order to keep the playing group as viable and vibrant into the future as it is now, and has been for many years, and to represent the great sporting talent we have here in WA.

There were many fantastic match-ups that certainly did not disappoint. The competition was fierce but friendly and great to watch. Most players stayed for the trophy presentation, and a welcome chicken meal was provided to round off the event. Joe Mihaly generously spent lots of his precious time over the weekend taking some fantastic photos. Some are included here in the newsletter, but you can see them all at:

# Conference

## Sue Hillier Reports

It was great to see 18 people attend this conference, which was proudly sponsored by Department of Local Government, Sport and Cultural Industries.

The day started with a quick 'get to know' why they were attending and why they coach. Glenn Hitch, President of WA Squash started the day explaining the WA Squash Board Strategic Plan for Coaching and his role managing the coaching portfolio.

Our next guest speaker was Brendan Smith, Sports Psychologist. He gave an introduction into Sport Psychology, Motivation and Imagery. He advised that there is a way to train the brain and that we can train mental toughness.

He spoke about imagery, goal setting and handling nerves. Brendan then went on to talk about effective motivation. Positive motivation leads to longer term benefits as it promotes trust between coach and player. This leads to the athlete making their own decisions and results in motivation from within leading to excellence. Rather than 'win at all costs, win for your coach, win for the trophy' type motivation.

We were given a great 'lemon' imagery task which gave some indication in the power of visualisation. I admit my lemon was very sour.

After a quick coffee break we discussed running a successful club. This was led by Mike Cornish and Tim Cowell. After group discussions we came up with some ideas on:

- Club Objectives
- Club Promotional Plans
- Strategies
- Marketing Tools

Mike and Tim gave a run down on how they run their clubs, the programs they use, promoting game play and how they have increased the number of juniors in their clubs. Everyone agreed it is hard to attract and in turn retain players, however through this workshop we have gained some valuable information which will be collated and sent to the clubs.

**2018 Coaching Conference**

# 2018 Coaching Conference

The State Squad training was next, led by the Squad coaches, Damon MacMillan, Amanda Hopps, Tim Cowell, Ken Watson and myself. Many of the other coaches in attendance went on court to hear the advice given and assisted with the training.

After a small lunch break, our next session was on technology in coaching, and the Go-Pro, presented by Ben Narang. Ben is studying Sport & Exercise Science in the UK but is in Perth for a practical placement at WAIS.

My “expert” filming with the Go Pro at training was used to show how we can utilise some of the apps available for iphones, ipads, notebooks etc. Ben showed us some apps to use, some free but beware they may not hold enough storage and you may end up paying quite a lot and risk losing your footage – read all the fine print.

He showed us how to slow down the footage, to draw on the screens emphasising angle or arm, legs etc to help with coaching and how we can share this with the athletes. A comparison of the forehand swings of Josh Dare and Callum Blakey on one of the apps entertained us all. Several of the apps are currently in use by the WAIS coaches, a popular one was Kinovea.

Glenn Hitch and Ken Watson were up next with a High Performance discussion using PADA (Perception, Analysis, Decision and Action). This was put into action with the help of Tim Cowell and his fantastic boast, whilst Damon MacMillan was on the T – what happens next? What is going through Damon's (a players) head?

There was a lot of discussion on this and no definite answer was reached, just more questions (sorry Damon). We were treated to some video footage of PSA rallies discussing which shot selection changed the dominance of the rally.

The last session of the day was Coach Mentoring presented by me. Without athletes there would be no coaches and coach mentoring can provide incentive for us to work on our own toolkit of coaching skills. By sharing advice, information and experience we are able to improve the way we coach and in turn our athletes. WA Squash is looking at setting up a coach working group/committee which can work towards mentoring our coaches.

After a long day everyone walked out having learnt something.

Thank you to **Department of Local Government, Sport and Cultural Industries** for the grant to help us run the event.

Many thanks to **Don Huffer** and **WA Squash**.

Thank you to our presenters: **Brendan Smith, Ben Narang, Mike Cornish, Tim Cowell, Glenn Hitch** and **Ken Watson**.

Lastly thank you to the coaches who attended, for your input into the day and your contribution to coaching and helping players to love our sport.

The Junior School, Division 2 (Year 7-9) competition was held at Squashworld Mirrabooka on 26 June 2018 with Shenton College taking out both the girls and boys events.

It was great to see so many students playing squash. Several getting last minute instructions on how to serve, before the commencement of play.

Six teams entered this event. The improvement of their squash was evident throughout the day and great to see such good sportsmanship. Shenton Team 1 was headed by one

of WA Squash top juniors, **Erin Classen** who is also ranked Australian #2 in U15.

The round robin draw saw quite a few close matches however, Shenton College were too strong going through undefeated.

This year was the first year we saw several year 7 students in the boys teams. With a round robin draw and several players who are already playing at local clubs it was going to be a great day.

Shenton College team was headed by another Classen, this time Dylan a top WA Squash junior who is ranked #4 U15 in Australia. The top teams from each pool played off in the final and at one match each the Number 1s had to fight it out. Dylan proved too strong for Willetton player Jonty

# INTER SCHOOL **SQUASH** CHAMPIONSHIPS

Calderbank giving Shenton College another Championship

The Senior School, Division 1 (years 10-12) competition was held at Squashworld Mirrabooka the next day on 27 June 2018. The day was wet with the rain hammering down making it hard to hear the markers. However, with us all enjoying the day indoors the competitiveness between schools was great to see.

Unfortunately, Kennedy Baptist College girls team was the only team to enter this year. The girls led by Jacqui Gray took on the challenge to play against the Senior Boys and were successful in their first round, beating Shenton College (2). They finished 8th out of 14 teams, well done girls.

Several teams had Australian ranked, and WA Squash State Squad members. Last years winner Leeming SHS were seeded #1, led by Abel Jin, Australian U17 #3. Shenton College, were #2 after finishing second last year. This year they had no State players but held their own, coming 4th this year. Kennedy Baptist seeded third were led by State player Eric Gray who injured his arm whilst playing Rugby and had to play left handed. Little did we know that he was quite good playing left handed. Rounding out the top four was Perth Modern led by Remi Young Australian #2 U17 player.

The final came down to Leeming(1) v Kennedy Baptist (1). Eric playing a controlled left handed game put Kennedy up one nil. Kai Holmes a former Bluegum junior showed he remembers all the tactics to put Kennedy in the winning position. Abel (Leeming) played last and won but could not save the day giving Kennedy Baptist the Championship

There were so many great matches throughout the day. It was great to see athletes quickly assess their game and make necessary improvements.

I would like to thank the students for two days of squash and great sportsmanship. They represented their schools with pride and it was a pleasure to organize this event and see everyone have FUN.

Thank you to all the **teachers** and **parents** who drove the students to the event and all your organization before the event. Thank you to **SquashWorld Mirrabooka**, for hosting again. Kane and Tyron are extremely accommodating, making my job so much easier.

Lastly, thank you to Health Way “**Smarter than Smoking**” for their positive message to the students and the **Department of Local Government, Sport and Cultural Industries** for their continued support.
