MARCH 2019

## DEAN WILLIAMS ... Those GLORY DAYS!

**Dean Williams** (born 22 April 1956 in Perth, Western Australia) was one of the leading players in the game in the late 1970s and 1980s, reaching a career-high world ranking of **World # 3 in 1984!**

In 1982, Williams finished runner-up at the World Open, losing in the final to the legendary Pakistani player Jahangir Khan 2-9, 9-6, 1-9, 1-9.

*Squash photography has come a long way ...  
it is now digital, sharper and in colour!*

What else has improved ... we had to rely mainly on the print media to get results. Today, we now have the internet and we can even subscribe to watching matches online. Racquets have gotten bigger and have moved from being made with layers of wood/bamboo to carbon fibre composites. Today, there is a much larger sweet spot. The balls have gotten softer. Glass courts are more the norm these days. Clothing has become more colourful and the popular Dunlop volleys have been replaced with much better footwear. The scoring system has changed from handouts to point a rally. One thing hasn't changed ... it is still the Greatest Game!

Wasn't it fantastic to see 3 squash nominations at the RAC WA Sports Star Awards?

Congratulations to **Sue Hillier**, **Greg Chan** and the Australian Junior Team Champions on your nomination.

Whilst Squash didn't win any awards it was wonderful just to see our stars being considered.

Many challenges lie ahead for WA Squash. WA Squash is constantly on the move trying to address immediate problems and safeguarding the future.

In coming months the WA Board will be calling for active and committed volunteers to assist in various areas. If you feel your area of expertise could help the sport in WA move forward please contact Glenn.

Please don't hesitate to come forward. WA Squash needs YOUR help.

Please note there have been two date changes to the **SGPS** One Day Junior events: Bunbury and Manjimup.

### 2018 President's Report WA Squash

#### **Terrace Squash**

The first priority in 2018 was to resolve WA Squash's home at The Terrace Squash Centre.

Due to our sub-tenant vacating, and not having approval by our landlord to replace the sub-tenant this placed significant financial stress on WA Squash. Several options were discussed with the landlord, and this resulted in a break lease being negotiated where both parties agreed for WA Squash to vacate by the end of 2018.

This in the Boards view was a good outcome that enabled WA Squash to stop the cash flow loss of staying in this facility.

WA Squash are now based at 15/ 386 Wannaroo Road Westminster

#### **State Junior Team**

Our juniors won the Australian Junior Championships for the first time. This result reflects a significant achievement due to the result of many years of hard work from our Coaches, Coordinators and Development Officer.

Proudly, it was noted the True Sport values were reflected in our junior's behaviours, which is a credit to the players, parents and administrators.

#### **Facilities**

A facilities working group has been established to work with the State Government on a business case for a State Centre.

The scope and potential locations for a State Centre are still being worked through. The business case will help guide any future investment decision. We are hopeful the business case will be finalised in the coming months.

This has been a monumental effort by the working group, and would like to thank them for their efforts.

#### **Communication**

WA Squash will continue to seek improvement on its communication to members.

Currently we are using Facebook, WA Squash Website and The Swan monthly newsletter as our media mediums.

Glenn Hitch

# BOARDROOM

## *President's Pen*

Several member forums were held during 2018, this purpose of these forums is to provide a platform for open communication without membership base. This will continue in 2019 and evolve as required.

### **WA Squash Staff:**

Don Huffer has resigned as CEO of WA Squash as of the end January 2019. For the many people who have worked with Don you will know Don's burning passion for Squash, he has contributed tirelessly for many years and on behalf of the WA Squash Board and the Squash community I would like to thank him for his contribution.

Dean Williams has stepped in as the caretaker General Manager; Dean comes with a plethora of experience in Squash both as a player and sports administrator. WA Squash are very fortunate to have the services of Dean. Sue Hillier continues as WA Squash's Development officer, as does Leonie Cole as our financial controller.

All of our staff work with a limited amount of resources and I would like to thank them for their contribution, which far exceeds their remuneration.

### **Sporty HQ**

Squash Australia have decided to stop using the matrix and change to Sporty HQ. This is a monumental task in itself, and has placed a huge amount of pressure of WA Squash staff and volunteers.

I would like to thank our members for their patience, this change over would have not happened without Deans and Dons tireless efforts.

### **New Constitution**

WA Squash will be operating under a new Constitution in the near future; I encourage all of our members to allocate time to review and comment on this document.

It is mandatory that our constitution be amended so it reflects the current statutory requirements.

### **Squash Australia**

WA Squash seek to continually improve our communication with Squash Australia.

In a federated model, the National body is there to support its members (the states), just as WA Squash is here to support its members (the clubs). WA Squash will be clearly communicating with Squash Australia on what WA Squash need to assist in servicing our

Glenn Hitch

## *President's Pen*

Clubs.

It is easy for too much time, effort and energy to be allocated on Squash Australia matters. Our limited resources and time should always be focussed on assisting our clubs and developing squash in WA.

### Operational Plan

Moving forward WA Squash will be working through a comprehensive Operational plan, this plan is a road map to identify all the areas of WA Squash operations and who is managing the delivery.

Volunteers play such a significant role in delivering key services to our membership base; as such we will be seeking out volunteers to assist in working groups and sub committees.

In time, the CEO and Development Officer's role will evolve to assist managing the committee's and working groups so we are all driving towards servicing the members better.

This year a Facilities Working Group and Coaching Committee have been established, work is currently underway on forming a pennant and tournament committee.

If you love Squash and have something to contribute, we would value hearing from you.

### WA Squash Board:

I would like to thank my fellow Board members and partners of the Board members! This has been an extremely challenging year for WA Squash and your efforts have been appreciated.

I anticipate another busy year but feel momentum is gaining.

Best regards

**D** **DEAN'S**  
**I** **DIARY**

This is my first report after what has been a whirlwind couple of months since coming on board on the 15<sup>th</sup> of January 2019.

A huge thank you to former GM Don Huffer who has assisted in the handover. Don will continue on for the time being as Pennant Chairman (voluntary role), to help navigate our way through Sporty HQ.

Sporty HQ has proved to be an enormous challenge but I'm sure given time it will prove to be a very good system.

The shift from The Terrace Squash Centre to our current premises at Suite 15/386 Wanneroo Road, Westminster over Christmas was another huge effort by a dedicated small crew of volunteers. No small feat as we have had to store lots of valuable stock and memorabilia in another premises while we sort things out.

WA Squash will be facing many hurdles in the coming months and we will be needing volunteers to get through the high volume of work which is essential if WA Squash is to still promote and develop the sport. I'm looking forward to the challenge but I'm going to need lots of help!

Sadly, the never ending demise of squash courts continues with The Terrace (9 courts), Subiaco Football Club (4 Courts) and The Vines (1) losing courts.

The AGM is on the 27<sup>th</sup> of March at 6.30pm at Vic Park Rec Centre and I look forward to seeing as many people as possible there.

## **Annual General Meeting**

**6:30pm 27th March 2019**

**Vic Park Rec Centre**

"To all WA squash players; I urge you to make sure your club is represented at the forthcoming AGM. WA Squash is going through massive changes brought about by decisions made at AGM's in the past when not enough people bothered to make sure their voice was heard.

I look forward to seeing all clubs there with positive intentions to steady the ship and to make sure squash in WA can survive." **Dean Williams Caretaker GM**

***Everyone welcome.***

# Busselton SW Squash Teams Masters

## Warren Oliver Reports

73 Players from the southwest and Perth competed in the 33<sup>rd</sup> SW Squash Masters this year held at the South West Sports Centre in Bunbury (due to the imminent closure of the Busselton Courts) over the long weekend in March in 4 Divisions with ages from 35 to 80 years.

The Busselton Club ran the tournament while the Bunbury Club ran the bar. This is the biggest Masters Squash event outside of Perth and one of the longest running. Busselton was able to have representatives in all 4 divisions. 14 Busselton players entered over the weekend in 5 teams with Busselton successful with one of those teams.

The coveted Div 1 shield was taken out by the Bunbury Bandits team of Jamie Herring, Brad Grinter and Dean Reynolds defeating 2017 year's winners Busselton's Just Cruizin Team of Paul Hey, Sean Brockman and Rachel Hey.

Bunbury has now won the converted Div 1 title in 2014, 2016, 2018 and 2019. The standard of squash was exceptional in the final with a combination of patient long rallies and incredible shot making and retrieving. The team won all its matches over the weekend with both Dean and Brad going through the weekend undefeated while Jamie's only loss was to Paul Hey.

Division 2 was taken out by the Hilton Iron Lungs team of Graham Follington, Roy Woelke and Shean Bond who went through the weekend undefeated beating last year's div 2 winners the Bunbury Bad Boasters team of Mark Lush, Mike Genders and Kelvin Carmichael who had won the title for the past 3 years. Both Graham and Shean won all their matches over the weekend.

The Div 3 final saw the Busselton Mixed Champ's team of Dale Maytham, Ed Jennings and Christine Champ take out the title going undefeated; with Bunbury Leschenault Legends team of Aaron Hughes, Erin Zolnier, Barbara Murtha, Kevin Wells, and Dave Crump coming 2<sup>nd</sup>. In fact the Busselton mixed Champs had the biggest margin over any 2<sup>nd</sup> placed team in all divisions. Both Dale and Christine won all 5 of their matches over the weekend.

Div 4 ended up being the closest of all divisions with the Perth Captain Cooks team of Terry Brookes, Nikki McCullough and Di Cook winning on a count back from the Perth Jac of all Trades team of Chris Reston, Anita Bull and Janis Haswell, with both teams on 4 wins out of 5 matches, but the Captain Cooks winning more games. There was also a count back for 3rd which went right down to points after both matches and games were equal.

Sat night saw 50 people socialise at an Indian function at the Bunbury Badminton Centre which recognised 24 players who have entered the tournament 10 or more times with one player, Joyce Barnett, having entered an incredible 29 times out of a possible 33, and 4 other players have played 20 or more times. These players were given a Busselton squash club wine goblet as a memento. Over the past 33 years 543 players have played at least once in the tournament, and it was great to see 11 players make their first appearance at this iconic event.

The Busselton club would like to thank its many sponsors Hillzeez Down South Surf Shops, Swings and Roundabouts Winery, Margaret River Cheese Company, Busselton Discount Drug Store, Wayne Evans for supplying the very popular Crayfish in the raffle, Ron Clayton and Brian Roby for compiling the draws, tournament director Warren Oliver and the Bunbury Squash club for sponsorship of the Saturday dinner.

Overall the tournament was a huge success with the combined efforts from both clubs and not far from the record attendances of 84 in 2012, 83 in 2010 and 80 in 2015. The Busselton Squash Club will continue to play its weekly pennants out of the Sebel Courts in Busselton.

# WA MASTERS UPDATE

By Janis Haswell

## WA Masters March 2019

### *South West Masters Teams event*

The Labour Day long weekend saw a host of WA Masters players heading down to Bunbury and Busselton for the South West Masters tournament. Currently held at the South West Sports Centre in Bunbury, this event is a firm favourite with WA Masters.

The Busselton Squash Club, with valuable coordination and cooperation of the Bunbury Squash Club, does everything possible to make all welcome, and to ensure 'enough' games and competition is enjoyed by all, and that certainly was the case this year with everyone playing 5 games over the 3 days. See Warren Oliver's Busselton report in this SWAN issue for the tournament results.

On a social note, an Indian Dinner night was held at the Badminton Centre in the complex. Everyone enjoyed a tasty selection of Indian curries and pickles, followed by a traditional Indian milk dessert, all washed down with the customary beverages of choice.

The dinner was followed by the annual presentation of Busselton-Squash-etched wine glasses, presented to those players who have attended the tournament 10 or more years. Presentations this year ranged from those reaching 10 years – Pat Barker – to our distinguished lady of the Busselton tournament who has played in 29 SW Masters – **Joyce Barnett**.

## Upcoming Masters events

### *WA Masters Hilton Classic*

The WA Masters Hilton Classic will be held over Saturday May 4 and Sunday May 5. It is an Individuals tournament based on Matrix rankings. The entry form will be circulated soon for this event.

### *WA Masters State Championships*

The State Championships will be held from Friday July 19 to Sunday July 21. The venue is yet to be confirmed, and more details will be available closer to the date.

WA Masters very much appreciates the support you give by participating in these events; it keeps the Masters a healthy, going concern here in WA.

## Spotlight on 2019 WA Masters Squash Committee – Chris Farley

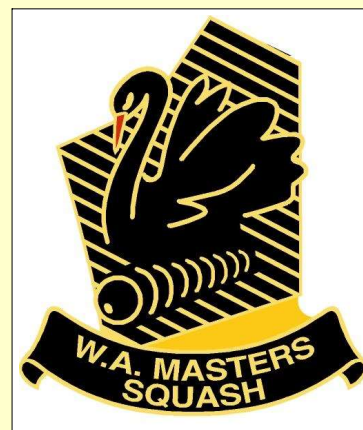

This March report focuses on Chris, a relatively new member of the committee. However, she served tirelessly and diligently on the WA National Masters Committee in 2015, so has plenty to offer the group.

# WA MASTERS UPDATE

By Janis Haswell

Chris has again generously agreed to contribute her valuable time to assist with the running of WA Masters, taking on the role of Functions Coordinator. Chris' natural good nature, good taste and sense of fun are ideal qualities for the role, as the functions she has organised so far demonstrate.

Chris has been playing competition squash for many years. Her friendly, caring and effervescent persona endears Chris to all who come in contact with her.

On a professional note, these qualities naturally flowed through to her career (from which she is now retired) where she mentored and guided people to find their best career path, something, you will agree, that would take a great deal of insight and patience.

Chris is a fantastic team person and works tirelessly to get the best deals possible for Masters players when organising functions, as well as when contributing to committee responsibilities at tournaments and other events. Nothing is too much trouble.

Chris has been doing quite a bit of globe trotting recently, travelling to multiple destinations and generously sharing her holiday photos making us all very envious. And something else to keep Chris smiling – she recently welcomed her 'latest gorgeous grandson' to the clan.

It's obvious Chris has a busy life with lots to keep her busy outside of squash, so thank you Chris for all your hard work, time and continued commitment to WA Masters – it's greatly appreciated.

Hope to see you all at the WA Masters Hilton Classic in May!
