

WA Squash Academy

WA Squash is proud to announce the establishment of the WA Squash Academy (WASA). It will be the centre of expertise for squash in WA. The Academy will provide a pathway of support for selected individuals to access specialist guidance in squash performance and all aspects of development to optimize their potential as competition players. WASA will officially launch on 11th October 2020.

WASA is principally open to all WA players, male and female, aged 15 years or older. To ensure the best outcomes the number of players will be capped. Selections will be made based on a number of factors to create a complement dedicated to furthering their squash in line with the objectives of WASA.

Players wishing to be considered for selection must complete the attached Expression of Interest (EOI) form and return it to WA Squash by the 25th September 2020.

The WASA committee will then shortlist and interview suitable players and (if applicable) their coaches.

All applicants will be advised of the results of the selection process by the 6th October 2020.
